Carwoola Community Association

Who we are

The Carwoola Community Association (CCA) is a not-for-profit organisation run by volunteers to represent the common interests of the community and foster and maintain a community spirit amongst residents of the area. We do this by engaging external parties to promote local issues facing our community and by holding community events.

New and existing members of the community are always welcome to join the Carwoola Community Association.

If you would like more information or want to get involved, please feel free to contact me or any other member of the Committee.

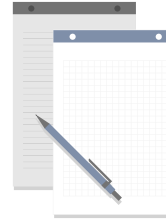

Sebastian Due Madsen, CCA President

CCA Committee

The Committee tries to maintain a balance between community improvement and community social interaction. It also tries to ensure that people's commitments to CCA are kept within reason and are not excessively time-consuming.

You will find a list of the current members of the CCA on the back of this brochure.

Volunteering with the CCA

Join the committee

There are a variety of committee roles and positions available. Each year positions are declared vacant and open for nominations. We currently need someone to take on the role of Carwoola Gazette editor.

Help organise an event

We have annual events scheduled throughout the year and organise extra social events when the weather allows. If you can offer your time and lend a hand we would appreciate your contribution.

Offer ideas, support, or assistance

If you have a great idea for an event, a cause, or new facilities then we would love to hear it. If you can offer support or assistance in providing content for our social media, sourcing Gazette articles, or preparing grant applications then please get in touch.
